Subject: CRES Accumulator kit (SP-5451)

Note: This Service Bulletin supersedes SB18-0003R1.

Hoshizaki has recently developed a field accumulator kit for the CRES36, CRES49 and CRES60 units.

This kit should be installed in the event that the sealed refrigeration system is opened. In addition to adding the accumulator to the system, the total system charge has been changed as well.

The accumulator kit number is SP-5451 and is available through your local Hoshizaki distributor.

If you have any questions concerning this change, please contact the Technical Support Department at tech-support@hoshizaki.com or 1-800-233-1940.
