Subject: Bin control design change on large KM “M” series units

The bin control has been changed on the large “M” model KM series units. The previous thermostatic bin control 4A2879-02 has been replaced with the mechanical bin control 2A8598G01.

This change also includes a change in wiring. Please see the samples below for examples of the change.

(Previous thermostatic bin control wiring)

(New Mechanical bin control wiring)

Model	Effective change date
KM-901M_J	November 2021
KM-1100M_J	October 2021
KM-1340M_J	November 2021
KM-1601M_J	November 2021
