## SERVICE BULLETIN

**SB94-0003**

March 14, 1994

**SUBJECT: MATERIAL CHANGE - BASE FRONT FRAME**

The material for the front frame, which is the lower base plate on the ice drop opening, has changed from stainless to ABS.

The new part number, 3A0217-01, is interchangeable with the old part number, 321524-01.

This change is effective on the following model/serial numbers:

	<u>Serial #</u>
KM-500MAE	D01156A ---->
MWE	D00206A ---->
MRE	D00031A ---->
KM-630MAE	D01906A ---->
MWE	D00631A ---->
