SUBJECT: BIN STRUCTURE CHANGE

A recent design change was made on all Hoshizaki storage bins. This change is made to the internal structure of the base of the bins and will provide improved leg support.

The effected serial number range is as follows:

Series	PD	SD
B-300	E14451E and after	E11651E and after
B-500	E14651F and after	E13148E and after
B-700	E11551F and after	E11051E and after
B-800	E10901F and after	E10651F and after
B-900	E11801F and after	E11951E and after
